Technical & Financial Offer

By

March 2026

Provided Services by 24/7 Medical Services

Medical facilities

- 1) **Fully Equipped Clinic** : The clinic will be fully equipped with all essential medical services and equipment permitted for clinics. This will allow us to offer a wide range of authorized services on-site, including ECG, ultrasound, and more. This ensures that guests receive prompt and effective care within the clinic.
- 2) **Intermediate Care Unit (ICU)** : An equipped Intermediate Care Unit (ICU) will be available for the observation and stabilization of critical and urgent cases, providing additional support for patients who require intensive monitoring.

Guest's Medical Services

- 1) **24/7 Medical Service** : We will ensure the highest level of medical care 24 hours a day, with a resident doctor available at all times. The doctor will be on-call to respond swiftly to any emergency or medical request, ensuring immediate attention when needed.
- 2) **Full Medical Supervision** : Throughout the guest's treatment, we will provide full medical supervision, ensuring the highest level of care at all stages.
- 3) **Our Affiliated Hospital** : We committed to provide an outstanding high-quality medical care for all hotel guests through our affiliated Hospitals in Hurghada
- 4) **Guest Transfer to the Hospital** : If necessary, guests will be carefully transferred to the hospital, with continuous follow-up on their condition. The hotel will be provided with detailed reports on the progress of the case.
- 5) **Medical Report Management** : All guest medical reports will be carefully maintained in accordance with privacy and healthcare regulations.

Hotel's staff benefits

- 1) **Free Medical Examination for Hotel Staff** : The clinic will provide free medical examination for all hotel staff and free treatment for the emergency situations.
- 2) **Special discount for Hotel Staff** : Special discount to the medical examinations and services to the hotel staff in our affiliated hospitals and our collaborative partners in
- 3) **Regular Health Checkups for Hotel Staff** : At intervals determined by hotel management, we will conduct free medical examinations for a sample of hotel staff, including urine, stool, and typhoid analysis.

Hotel Extra Services & benefits

- 1) **Supervision of First Aid Boxes** : We will supervise and regularly refill all first aid boxes throughout the hotel to ensure they are fully stocked and ready for use at all times.
- 2) **Preventive Hygiene Instructions** : We will provide necessary instructions on preventive hygiene measures, including for drinking water, swimming pools, and food and beverages. If any analyses are required, the hotel will bear the cost of these tests.
- 3) **Training Courses for Staff** : We will hold regular training courses for designated hotel staff on how to properly manage first aid cases and respond to medical emergencies.
- 4) **Pre-employment Medical Examination** : All candidates applying for jobs at the hotel will undergo a free medical examination to ensure their medical fitness for optimal job performance.

Cooperation and Coordination with the hotel

- 1) **Collaboration with Hotel Management** : We will fully cooperate with the hotel management in addressing any medical-related issues or complaints raised by guests.
- 2) **No Liability for Hotel-Related Medical Issues** : In the event of any medical problem caused by hotel-related issues, our clinic will provide full medical services without imposing any obligation on the hotel.
- 3) **Notification of Emergencies** : In case of any emergency or unusual medical phenomena, the responsible hotel personnel will be notified immediately.
- 4) **Monthly Medical Incident Reports** : We will issue monthly medical incident reports, keeping the hotel informed of any medical occurrences during the month.
