Medical Services Proposal
TO
Royal Bay Hotel

INTRODUCTION

Medpark Hospital is pleased to present this official proposal for the provision of medical services, delivered directly within your hotel premises, in strategic partnership with our accredited medical centers and affiliated hospitals.

This collaboration aims to elevate guest experience, enhance safety guests and hotel employees, while aligning with the highest international hospitality and medical standards.

WHY HEALTHCAR INTERNATIONAL GROUP?

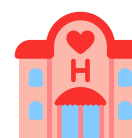

1) Extensive experience in the medical tourism

2) Proven Track Record with International Hotel Chains

3) Extensive Medical Network Across Key Tourist Destinations

4) Pursuing International Accreditations

5) Nationwide Healthcare Network

6) Expertise in Medical Tourism (Europe)

7) Global Healthcare Standards (U.S. Model)

8) Hospitality-Oriented, Patient-Centered Service

Our Medical Network

Our organization operates a fully integrated healthcare system that includes:

- Licensed Medical Centers

- Specialized Clinics

- Our Specialty Hospitals

- Emergency and Ambulance Services

All medical services are delivered by qualified physicians, nurses, and healthcare professionals, in full compliance with local health authorities and international medical regulations.
