**AMBULANCE**

Our hospital prides itself on offering the most advanced medical services and equipment to ensure that patients receive the highest level of care. From emergency services to specialized treatments, our comprehensive portfolio covers a broad spectrum of healthcare needs.

Here's a look at some of our key services:

## AMBULANCE SERVICE: SWIFT AND LIFE-SAVING EMERGENCY RESPONSE

The ambulance service is designed to provide fast, efficient, and life-saving care right from the scene to the hospital. Each ambulance is equipped with advanced technologies and staffed by a highly trained team to ensure patient safety and immediate care.

**Mobile Intensive Care Unit (ICU):** Equipped to perform critical procedures en route, ensuring life-saving interventions during transport.

**Standby ER & Surgery Consultants:** Our emergency room and surgery consultants are on standby 7/24, ready to respond immediately upon patient arrival.

**Trained Nursing Team:** Our skilled nursing staff is equipped to handle urgent medical situations, ensuring patients receive top-tier care.

**Professional Drivers:** Expert drivers trained to navigate the quickest and safest routes, ensuring patient safety and minimal transport time.

**Wireless Communication:** Real-time communication with the hospital ensures swift preparation for patient arrival.

This integrated system guarantees immediate, high-quality care, even before patients reach the hospital.

## **EMERGENCY ROOM: EQUIPPED FOR CRITICAL AND LIFE-THREATENING CONDITIONS**

Our ER is prepared to handle the most severe and urgent medical emergencies, offering cutting-edge equipment and the expertise of highly qualified professionals.

**Advanced Equipment:** State-of-the-art DC shock machines and fully equipped operating rooms for rapid response to heart attacks, trauma, and other life-threatening conditions.

**Highly Qualified Physicians:** ER doctors trained at the Royal College of Physicians, adhering to the latest National Health Care (NHC) guidelines to provide expert care.

**Rapid Response:** Our advanced technology, skilled professionals, and facility allow us to provide immediate treatment and maximize patient outcomes.

The ER's ability to stabilize patients promptly is key in saving lives and improving recovery chances.

## INTENSIVE CARE UNIT (ICU): ADVANCED CARE FOR LIFE-THREATENING CONDITIONS

Our ICU offers the highest level of care for patients in critical conditions, combining the latest medical technologies with expert staff to manage the most complex cases.

**Cutting-Edge Equipment:** Featuring «Dräger» mechanical ventilators for advanced respiratory support.

**Private ICU Rooms:** Designed for patient privacy and comfort, allowing family members to be close during crucial moments.

**Expert Care:** Our multidisciplinary ICU team provides round-the-clock, specialized care to ensure the best possible outcomes.

**Successful Case Studies:** A notable case includes the successful excision of a brain tumor in an 81-year-old patient, who was discharged just 4 days post-surgery, highlighting our capability in high-risk, life-saving procedures.

Our ICU focuses on delivering tailored, intensive care, ensuring every patient's needs are addressed in their most critical moments.

## **STATE-OF-THE-ART OPERATION ROOMS: READY FOR COMPLEX SURGICAL INTERVENTIONS**

We offer a range of highly advanced surgical options, utilizing the latest technology for precision and safety in operations.

**Zero-Infection Operating Rooms:** These rooms are specially designed to maintain sterile conditions, preventing infections during surgeries.

**Microscopic Brain & Spinal Cord Surgeries:** Equipped with advanced equipment for delicate neurosurgical procedures.

**C-ARM for Orthopedic Surgeries:** Ensures the highest accuracy in orthopedic interventions.

**Arthroscopy, Urethroscopy, and Laparoscopy:** Specialized equipment for minimally invasive procedures, promoting faster recovery.

**Highly Qualified Surgeons:** Our surgeons and para-surgeons are esteemed professors from university hospitals, ensuring the highest expertise in each field.

This state-of-the-art setup ensures that all surgeries are performed with precision and the utmost care for patient safety.

## **STANDARD ROOMS: COMFORTABLE ACCOMMODATION FOR PATIENTS AND RELATIVES**

Our patient rooms are designed with comfort and convenience in mind, providing an environment where patients and their families can focus on recovery.

**Elite Furniture & Facilities:** Well-equipped rooms with high-quality furniture ensure a comfortable stay.

**Comfortable Environment for Families:** Space for relatives to stay close during the patient's recovery, creating a supportive atmosphere.

These rooms offer the ideal setting for patients to rest and heal, ensuring that their experience is as pleasant as possible during their stay.

## HIGH-CAPACITY CT SCANS

Our advanced CT machines accommodate high-weight patients, ensuring precise and fast imaging for emergencies and routine check-ups.

## OUTPATIENT CLINICS: SPECIALIZED CARE ACROSS MEDICAL SUBSPECIALTIES

Our outpatient clinics provide targeted care across a wide range of medical subspecialties, ensuring access to top-tier specialists.

**Royal College-Qualified Physicians:** Our physicians in plastic surgery, gynecology, orthopedics, and vascular surgery are all members of the Royal College, bringing the latest in expert care.

**Available Around the Clock:** These specialists are available 7/24, ensuring continuous access to care when needed.

**Advanced Dental Center:** Dedicated to advanced dental procedures and maxillofacial surgeries, offering cutting-edge treatments.

**Elite Dermatology Center:** Specializing in botox, fillers, micro peeling, and diode laser treatments for advanced skin care.

Our outpatient services offer patients access to expert care in various specialized fields, all under one roof.

At Med Park Hospital, we believe a healthy, beautiful smile can change your life. Whether you're looking for a brighter smile, need to fix a chipped tooth, or require a more advanced dental procedure, our team is here to provide gentle, expert care with the latest technology.

## OUR DENTAL SERVICES:

**Cosmetic Dentistry** – Get the smile you've always wanted with whitening, veneers, and complete smile makeovers.

**Restorative Care** – Fillings, crowns, and bridges that look and feel natural.

**Advanced Whitening** – Say goodbye to stains with our professional teeth whitening treatments.

**Maxillofacial Surgery** – From dental implants to jaw realignment, our specialists handle even the most complex cases.

**Pain-Free, High-Tech Dentistry** – We use cutting-edge tools to make treatments fast, precise, and comfortable.

## EXPERT RADIOLOGISTS

Our team includes university hospital professors, ensuring accurate, high-quality imaging interpretations.

## MOBILE X-RAY SERVICES

We offer bedside X-ray diagnostics, ideal for patients with mobility challenges or in critical care, delivering efficient results.

## ADVANCED LABORATORY TESTING

BioFire Panels: Rapid infectious disease testing with results in hours.

Histopathology: Detailed tissue analysis for cancer and disease diagnosis.

Comprehensive Lab Tests: From routine blood work to genetic testing, using automated systems for maximum accuracy and efficiency.

Our hospital is committed to providing comprehensive, state-of-the-art medical care in a patient-centered environment. Whether through emergency services, critical care, or specialized treatment options, we ensure that every patient receives the highest standard of care.

# LEVERAGE GLOBAL RECOGNITION WITH THE POWER OF GHA

*Accredited. Authorized. Exclusive.*

We are proud to be the exclusive and sole representative of **Global Healthcare Accreditation (GHA)** in Egypt — the world's most recognized authority in healthcare and wellness travel standards.

**GHA** is a globally endorsed accreditation body that sets the benchmark for excellence in patient safety, medical tourism readiness, and wellness hospitality. It is trusted by the world's top hospitals, clinics, and now — forward-thinking hotels.

By partnering with us, you gain more than just a high-quality medical clinic.

**You gain a gateway to becoming GHA WellHotel® Accredited — a globally respected certification that:**

1. Elevates your hotel's international reputation
2. Validates your commitment to guest health and safety
3. Attracts wellness-focused and medical travelers
4. Distinguishes your brand in a competitive hospitality market

As **GHA's** exclusive ambassador, we will guide and support your hotel through the full accreditation process — from compliance preparation and staff training, to documentation and on-site readiness.

*This is not just a service. It's a strategic asset — one that your guests will notice, trust, and remember.*

YOUR HOTEL**

ENHANCING GUEST SAFETY, COMFORT, AND SATISFACTION

# RESHAPING URGENT CARE MEDICINE

**Urgent Care  
Association**  
of America

24/7 Clinic Travel Medical Services offer designed its Urgent Care Clinics to provide medical care for illnesses or injuries that require attention but are not life threatening. This delivery model is structured to get the patient in the door, seeing a medical professional, and back on the road to recovery in as little time as possible. Urgent Care Clinics tend to maintain later, longer regular business hours, making them a convenient alternative to a mid-week appointment with a primary care physician. Plus, since appointments don't need to be made several days in advance, patients are able to get the treatment they need, when they need it.

# WHO WE ARE

24/7 Clinic Travel Medical Services delivers top-tier, multidisciplinary healthcare across key tourist destinations including Marsa Matrouh, Hurghada, Sharm El Sheikh, and Marsa Alam.

We offer advanced diagnostics and treatment through an integrated team of specialists and subspecialists. Our approach is compassionate and patient-focused, ensuring each individual receives personalized care.

Every patient is supported by a dedicated primary nurse who coordinates treatment, provides education, and manages discharge planning — making the experience seamless and reassuring.

**WITH 24/7 CLINIC, EXCEPTIONAL CARE IS ALWAYS WITHIN REACH.**

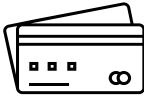

# EXCEPTIONAL CARE THAT REFLECTS YOUR BRAND

# WORKING WITH THE WORLD'S LEADING HOTEL CHAINS

# WELLNESS IN ACTION BRINGING HEALTH DIRECTLY TO YOUR GUESTS

We actively collaborate with our hotel partners to organize health-focused events that promote wellness, trust, and guest satisfaction. On World Health Day, we partnered with one of our esteemed partners to set up a beachfront health station—offering free health check-ups and access to our “Ask a Doctor” booth, where guests could consult directly with medical professionals.

This initiative was a hit with guests and hotel staff alike—and we’re committed to expanding these activations across all our hotel collaborations.

## **Includes**

**“Ask a Doctor” Booths**

**Free Vital Sign Screenings**

**On-Beach Health Awareness Activities**

# EMPOWERING TOUR LEADERS TO SAVE LIVES

We provide free first aid training sessions for hotel-based tour leaders to ensure they are prepared for on-ground emergencies. These sessions are conducted by certified medical professionals and include hands-on guidance in handling:

**Basic life support**

**Wound care & bleeding control**

**Emergency response coordination**

This initiative helps build trust with guests, reduces risk, and ensures seamless coordination between your team and ours in the event of an emergency.

# ON-BEACH MEDICAL COVERAGE FOR MAXIMUM GUEST SAFETY

For hotels with beachfront properties, we offer dedicated medical checkpoints staffed by professional nurses. These beachside stations are equipped with a fully stocked medical beach club car, ready to respond instantly to any incident—whether it's sunstroke, minor injuries, or more urgent needs.

**These checkpoints provide:**

**Immediate on-beach assistance**

**Visible medical presence for guest peace of mind**

# WHY PARTNER WITH US?

## LET'S CREATE A HEALTH & SAFETY PARTNERSHIP THAT GUESTS REMEMBER

We reflect your brand's luxury service standards  
We improve guest trust and safety  
We reduce hotel liability with professional care on-site

**ENHANCING GUEST  
SAFETY, COMFORT, AND  
SATISFACTION**
